SUBJECT: FEDERAL GRANT FUNDS FOR HEALTH CARE OCCUPATIONS

The U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA) has announced the availability of federal grant funds for a variety of health care occupations. The announcement was made in the Federal Register dated August 9, 2002, Volume 67, Number 154. The announcement includes a comprehensive review of HRSA's Fiscal Year 2003 competitive grant programs. The HRSA review is designed to replace the multiple Federal Register notices that traditionally advertised the availability of HRSA's discretionary funds for its various programs.

There are numerous grant opportunities currently listed. The deadline dates range from August 2002 to September 2003. For further information, please refer to the HRSA Web site at www.hrsa.gov/grants.htm. This site contains a link to the Federal Register.
